

The GodSpeed Way LLC | Terms & Conditions

1. Final Sale Policy

At The GodSpeed Way LLC, every piece created by Sun Blaze is a high-intensity fusion of time, physical space, spiritual intent, and premium multimedia materials. Because each project is deeply personal and often customized to a specific vision, all sales are final. We do not offer returns, exchanges, or refunds. Each work is a unique energetic transmission that cannot be "restocked" or easily resold to another collector once it has been commissioned or purchased. By completing your investment, you acknowledge the permanent nature of this fine art acquisition.

2. Intellectual Property & Copyright Retention

The purchase of a physical painting, graphic work, or multimedia piece does not transfer intellectual property rights to the buyer.

- Ownership of Rights: The GodSpeed Way LLC and the artist, Sun Blaze, retain all legal copyrights to every artwork, creative concept, and graphic design in perpetuity.
- No Resale for Profit: The receiver/buyer is strictly prohibited from reselling the artwork for commercial gain or through unauthorized third-party galleries without express written consent from The GodSpeed Way LLC.
- Reproduction Prohibited: No artwork may be scanned, photographed for commercial use, or reproduced in any format (digital or physical) for distribution or sale.

3. Multimedia Integrity

The buyer acknowledges that Sun Blaze utilizes specialized multimedia techniques (including the signature "Slime" architectural elements). These require specific handling. The GodSpeed Way LLC is not responsible for damage caused by improper display, environmental moisture, or third-party handling after the point of successful delivery.

The GodSpeed Way LLC | SHIPPING & HANDLING

The Journey to Your Door: Shipping & Handling

At The GodSpeed Way LLC, we believe that true art cannot be rushed. Each Sun Blaze original is a labor of love, intent, and structural complexity. Because we are currently experiencing a high volume of global orders, we maintain a rigorous timeline to ensure your investment receives the undivided attention it deserves.

The Creation Window (3 Weeks)

Every multimedia piece requires a precise curing and setting period. From the initial layers of intent to the final application of our signature "Slime" architectural borders and protective sealants, the creation process takes approximately three weeks. This window ensures that your artwork is chemically stable, structurally sound, and spiritually complete before it leaves the studio.

Precision Packaging & Safety

Your artwork is treated with "White Glove" care. We utilize custom packaging designed specifically for multimedia canvases to prevent any contact with the delicate surface textures.

- Oversized protection: Large-scale works are reinforced with heavy-duty products and moisture-resistant barriers.

Seamless Delivery (1 Week)

Once the creation process is complete, your piece is dispatched via our preferred premium carriers.

- Transit Time: Approximately one week for domestic delivery.
- Full Transparency: You will receive a tracking number the moment your piece is scanned, allowing you to follow its journey from our studio to your space.
